

Enter the Chemicals Northwest 2021 Awards - Deadline for entries 22nd January 2021

1. Engineering firm of the year 2021

Winning this award will represent the ultimate accolade for excellence in the supply of engineering products and services to this great industry. The scope is wide as we are aware of many engineering solutions that have led to success in the industry, from project management and maintenance support to process consultancy and equipment supplies.

2. Manufacturing company of the year award 2021 – sponsored by PM PROJEN

This award recognises how a company has demonstrated excellence in developing and bringing its products to market. It will also recognise significant operational improvements made to an established process. The winner will also have a clear plan for sustainable growth of the business and its contribution to the wider chemical industry in the region.

3. Health & Safety award 2021 – sponsored by Livent

This award will recognise exemplary practices or services that have made a chemicals operation safer or healthier. The winner will be able to demonstrate how a single, or range of site improvements or the provision of valued expertise, has significantly contributed to the improved safety performance of a chemical business, or a supply chain partner.

4. Sustainability award 2021 - sponsored by INOVYN

Recognition of how an organisation has demonstrated an innovative and holistic application of sustainability principles across a project and/or its wider business practice, leading to measurable positive change.

5. Operational excellence award 2021 – sponsored by CF Fertiliser

Successful practices in improving the efficiency and productivity of a chemical manufacturing process. The award winner will be able to demonstrate that real business improvements have been made following the implementation of a new project or operational programme.

6. International trade award 2021 – supported by Department for International Trade

Innovative approaches to effective exporting involving the latest systems and thinking. This will be awarded to a company that is new to, or experienced in, import/export and who has significantly developed their business in new markets or achieved an outstanding international trading record. This award is also open to service providers who have helped other businesses to take their international trading to new levels.

7. Innovation award 2021 – sponsored by HFL Consulting

Demonstration of creative solutions that present major commercial opportunities for a business. This award is open to individual organisations or academic/industrial collaborations. The winning recipient will be able to demonstrate how they have successfully invested in the research and development of a commercially viable new product, or enhancement to an existing product, or designed/modified and implemented a process that delivers demonstrable benefits to the business.

8. Young talent in the chemical industry award 2021 – sponsored by SRG

The contribution made by a young person to the success of a chemicals business or service provider. The award will also recognise the learning of vital business skills and their application in taking the organisation forward.

9. Charity of the Year award 2021 – sponsored by Valtris

If you represent a charity which you think deserves a special recognition, or you have been involved in charity events through the company you work for, or raise money for a charity, then please submit your entry. **Winners will also receive £1000 towards their charity.**

10. Supplier to the chemical industry award 2021

This award covers a broad scope of entries and the winner could be reflected within the provision of innovative problem solving anywhere in supply chains, to the chemicals sector. The winner will be able to demonstrate how their products or services have successfully responded to a customer problem and helped deliver effective supply partnerships.

There is a limit of 1000 words per entry and you may find the following helpful in structuring your entry.

1. Description of your entry (project/person/application etc)
2. How was it successful?
3. Why you think it should win the award

To enter the awards please email alex.abraitis@chemicalsnorthwest.org.uk by 3pm on Friday 22nd January 2021 with the title of the award as the email header and include your contact phone number.
